# FINANCIAL EDUCATION is an important Life Skill!

Inviting India's best institutes to join us in the mission

**JUNIOR FINANCE WIZ** is India's First National Finance Olympiad, contributing to the Government's mission of spreading Financial Literacy. Register your school or encourage your students to participate individually.

We have made it easy for schools to adopt Financial Education and simple for students to learn, adopt and apply lessons about Money, Savings, Budgeting, Personal Finance, Banking, Trade & Commerce in real life.

Completely  
online format

### NEED OF THE HOUR:

Various International bodies (OECD, UNICEF, CYFI) have highlighted Financial Education as a priority

## WHAT WILL STUDENTS LEARN?

Junior Finance Wiz is designed to create awareness about various topics necessary for the relevant age groups. In each group, there are 5 sections of financial topics. These topics include:

- Money & its Origin
- Savings
- Budgeting & Household Finance
- Personal Finance
- Trade & Commerce
- Banking & Bank Accounts
- Insurance
- Investments
- Consumer Rights & Protection
- Taxation & Economy

All these topics are developed basis the guidelines of the Reserve Bank of India (RBI)
